FFC-MVPA Challenge Coins

POLICY

With the recovery of missing funds, the organization is now able to step things up a bit. One thing suggested and voted on at the August business meeting was the design and purchase of Challenge Coins.

400 coins were ordered and received in time for the Fall Show and Swap Meet at The Markets of Marion in Belleview.

Beginning with receipt of 2019 dues (remember, we operate on a calendar year basis):

1. Renewed Paid members will receive 1 (one) coin per membership (Regular, Family or Associate).
2. Active Military (exempt from dues) will receive one coin per membership.
3. New Paid members joining on or after January 1, 2019 will receive one coin per membership.
4. Paid FFC members may purchase additional coins at \$5.00 / each.
5. Coins will be offered for sale to non-members for \$10.00 / each.

Those members who paid their 209 dues at the Show and Swap Meet received their coins.

The coins will NOT be issued every year for renewals – and skipping 2020 dues and returning in 2021 doesn't make you a "new" member.

Coins may be awarded in lieu of plaques at the Rally (i.e. Top 10) – If you renew in 2019 AND win a Top 10 at the rally, you may go home with two coins.

Additionally, as in the uniformed services, coins may be used as awards or given in gratitude for services or other support to the organization. Such awarding of coins will have to be approved by the Board. Regional Coordinators will be issued 4 (four) additional coins per year for such awards, but are cautioned to avoid being overly generous with them as once they are gone, they won't be replaced until the following year.

The decision to purchase additional coins will be made depending on the financial impact these initial 400 coins have on the organization.

FFC-MVPA Policy Interaction with Other Entities

Individual members, including the Board members and Executive Committee members, are sometimes approached by individuals representing another organization, a business, or some other entity seeking to interact with the Chapter in more than an individual membership role.

Invitations / requests to attend or participate in a function shall be brought to the attention of the Regional Coordinator, who will assist or coordinate in accordance with Article VI, Section 7 of the Bylaws. As used herein, function includes parade, show, trail ride, rally, or similar one-time event. The transfer of funds between the event organizer and any individual member that chooses to participate (.ie. reimbursement for fuel, entry fee for a show, etc.) is **STRICTLY** between the individual member and the other entity; the Chapter is not involved.

However, any such communication that involves the Chapter receiving funds or payment of funds, even if reimbursement is stated, **MUST** be presented to the Board before discussions go any further. Additionally, **ANY** offer to be a sponsor, event partner, or other arrangement in any way binding the other entity to the Chapter **MUST** be presented to the Board before engaging in further discussions.

UPCOMING SCHEDULED EVENTS
